NUCAMP FINAL PROJECT
TO BE COMPLETED IN APRIL 2022
Currently developing with React Native as my final
bootcamp project.
- **Travel Journal**  
INDEPENDENTLY DEVELOPED APP
FEB 2022
Journal of some of my travels which I developed to
practice working with passing props in React.
- **Bob's Search & Paint**  
MINTBEAN HIRING HACKATHON
NOV 2021
Solely designed, developed, and deployed using
JS, CSS, HTML, Git, Github, and Figma. Awarded a 
Mintbean Star, which was reserved for the top 5%
of participants. Also created a [landing page](#).
- **"Stickies" Notes App**  
INDEPENDENTLY DEVELOPED APP
NOV 2021
Independently developed as a project to practice
my skills with jQuery.
- **First Grade Teacher/Lead Teacher**
PAN AMERICAN SCHOOL OF BAHIA, SALVADOR, BRAZIL
AUG 2017 - JUNE 2021
Classroom teacher who managed a class of
bilingual students, communicated regularly with
parents, and organized weekly meetings with
grade level team to collaboratively create lessons
and evaluated assessments.
- **Third Grade Teacher & Media Specilist**
SAINT ANDREW'S EPISCOPAL SCHOOL
THIRD GRADE TEACHER: SEPT 2015 - JUNE 2017
Taught core classroom curriculum and facilitated
an after school Minecraft club.
MEDIA SPECIALIST: AUG 2012 - SEPT 2015
Designed and taught technology curriculum to
elementary students. Taught, managed, and
redesigned the school library.
